Motion by Bryan R., second by Tiffany H., to approve the Board Member changes as presented. Motion passed 4-0. Note: Amy Roberts and Lynn Feiger were excused absent.

C. Financials Update

- FY2024-25 Budget Presentation

Tiffany H. updated Gusty K. on how the budget is created and approved. She noted the fee structure and current financial status.

Michelle M. asked about financial transfers to the SSCV, this will be done in June. Michelle M. felt the fiscal transfer should happen in June and it should be noted that it be done prior to the next MFC Board meeting on 7/9/24. It was determined this transfer would be done on July 8 pending cash position review.

Tiffany H. noted the team drop-in income included the hockey team which is no longer using and therefore not paying. However, the MFC revenues are up over the previous fiscal year(s). Tiffany H. reviewed over all and specific expenses. She noted new this quarter is the Capital Reserve funding of \$15k which has been reflected in the P&L summary. This reserve will sit in a separate bank account for reporting purposes.

Michelle M. asked about the cleaning cost increases. Tom P. stated they have stepped up the cleaning and the gear maintenance. He noted the cleaning is much more comprehensive weekly, includes a semi-annual deep cleaning, and felt this is a strong improvement.

- FY2024-25 Budget Approval

Tiffany H. noted a modest overall revenue increase. She noted this is a membership increase combined with a fee increase. She noted the rate increase proposed would not increase the Minturn rate and is comparable to the Avon Rec Center rates. Discussion ensued as to how this might affect the members and how it will be presented to the public.

Tom P. detailed how the space of the facility is laid out and that there is no additional or unused space available.

Tiffany H. noted the reflected savings in the payoff of the sewer taps. This was a ten-year payoff and was completed in the 23-24 fiscal year.

Motion by Gusty K., second by Michelle M., to approve the FY2024-25 MFC Budget as presented. Motion passed 4-0.

Bryan R. noted how we have worked a long time to best utilize the facility space and thanked Tom P. for his efforts in making this change.

6. DISCUSSION / DIRECTION ITEMS

A. Operations Plan Review

The Operations Plan was reviewed as to updated status of items. Discussion ensued on water consumption and how potential changes can be made to review this goal. Tom P. noted they are working on the Reserve Study items/comments and have completed several to date. It was noted the MFC newsletter is an included section in the Town’s newsletter, there is not a sperate MFC newsletter. Bryan R. felt this was sufficient until we hear different from the members. Tom P. noted the Instagram account that also updates the membership.

B. Board Retreat Discussion

Michelle M. discussed this item. She felt a Mission Statement and high-level goal setting would be important. She felt identifying what the facility success looked like is an important objective. It was noted the exiting information is somewhat dated.

Michelle M. will work with Tom P. to set up a retreat between the 7/9 and 10/8 meeting.

C. MFC Non-Profit Status (How to Leverage)

It was discussed that the MFC is a 501c3 and has received donations in the past. Michelle M. noted that donors like to give to a tangible item such as equipment. This was discussed as to what items the MFC needs. Discussion ensued to work with Cindy Krieg at the Town to develop a donation campaign. Discussion ensued as to how best the Town and the SSCV would work together to provide support for this endeavor.

Direction was to proceed as discussed.

D. Publication of Board Materials for Public

Michelle M. stated this was a request from a previous meeting. She also noted that anytime there is a meeting with more than two town council members the meeting will need to be posted in accordance with the state laws. She shared how this current meeting and agenda were posted to the Town website. Bryan R. suggested they could possibly add the link from the Town website to the MFC website.

Michelle M. clarified that the town is required to post notice. She stated that since the town takes the meeting minutes we can post them on our website. Further, a page on the MFC website with board member profiles should be developed and placed on that website. Tom P. will review this and report back.

7. FUTURE AGENDA ITEMS

- Consider a Consent Agenda on the agenda. This would speed the housekeeping up as there is no discussion. If discussion is necessary, a board member may pull an item and have it placed in the business section.
